“DARE TO DREAM”

CONFERENCE PROGRAM

8:00 - 9:00 * Registration: The Lobby of the Holiday Inn

Faculty Advisors should come to the Registration Table (to the right after entering the hotel lobby), where they will receive a packet of name tags, programs, and other conference materials to be distributed to each of their students. Students report to the Jefferson Ballroom, where they are encouraged to take part in ice-breaker activities to get acquainted with other conference participants.

9:00 – 10:45 * Welcoming Remarks and Keynote Presentation: The Jefferson Ballroom

Welcome and Overview of Conference Schedule: Selected Senior Facilitators

Keynote Presentation: “Dare to Dream” by Rohan Murphy

10:45 – 11:00 * Break & Transition

11:00 – 12:00 * AM Small Group Discussions: Designated Conference Rooms

Students from half of the participating high schools will meet in small groups to discuss the issues of concern in their daily lives and to explore how they as leaders can help improve their schools and communities. These small group discussions will be led by Senior Facilitators who have been trained for their role as discussion leaders.

11:00 – 12:00 * AM Educator Support Session: Designated Conference Room

Faculty Advisors from half the high schools (the schools whose students are participating in small group discussions from 11:00 -12:00) are encouraged to meet with each other to share the challenges and successes they have experienced in working with student leaders.

11:00 – 12:00 * AM Share Fair Assembly: The Jefferson Ballroom

Students and Faculty Advisors from the other half of the high schools will attend a Share Fair Assembly. During the Share Fair Assembly, student teams which have volunteered to do so will give five minute presentations on programs, events, and activities that are particularly successful in their schools.

12:00 – 1:00 * Hot Luncheon Buffet: Restaurant and Designated Conference Rooms

Three Buffets will be set up in the hallway outside the Jefferson Ballroom and in the Restaurant. All students and Faculty Advisors may eat in the Jefferson Ballroom, any of the conference rooms, or in the restaurant area. Students are asked to continue participating in ice-breaker activities in order to make more connections with their peers from other schools

1:00 – 2:00 * PM Share Fair Assembly: The Jefferson Ballroom

Students and Faculty Advisors from those high schools which took part in the “AM Small Group Discussions” will attend the PM Share Fair Assembly. During the Share Fair Assembly, student teams which have volunteered to do so will give five minute presentations on programs, events, and activities that are particularly successful in their schools.
